Westport Planning and Zoning Committee:

My name is Aurelio Almonte and my wife and I are the owners of 3 Eno Lane Westport CT (which is directly behind 270 Saugatuck Avenue) and are Westport residents. We write to object the proposed modification to 270 Saugatuck Avenue.

We anticipate that adding fourteen parking spaces will lead to increased problems on Eno Lane and Saugatuck Avenue including entering and exiting Saugatuck Ave from Eno Ln, while navigating additional traffic to and from 270, and the danger that this proposal poses to over 20 children waiting for the school bus at that same intersection. We would further like to add that we have a **special needs child** who will be attending Bedford Middle school and the danger this may pose not only to him but all the children on our block taking the bus to and from school.

We firmly believe the modification proposal will destroy the safety and the cul-de-sac nature of our block and the quality of life that all the families on 3 Eno Lane have become accustomed to while also introducing a potential dangerous situation for our special needs son Elias Almonte and all the children on our lovely street.

Best,

Aurelio & Caroline Almonte
